When you have completed the form, click the button 'PROCEED TO PAYMENT' at the bottom of the page and you will be directed to a new page showing details of what you will be paying for. If these details are correct click the 'Buy Now' button.

You will now be directed to the PayPal payment page where you can pay using your PayPal account or with a Debit/Credit card. Follow the on screen Paypal instructions until the payment process has been completed.

Upon completion you will receive two emails. The first is your new UKSKO licence, giving details of your purchase with your licence attached. Please print this licence and attach it to your UKSKO licence book that you will soon receive from your club instructor or through the post if you have not already received it. We recommend that you keep this email safe so that it can be presented before gradings either on paper or digitally using a mobile device.

The second email is your UKSKO student Access Information. This gives details of how to access your UKSKO membership profile for future licence renewals and to make updates to your personal information. PLEASE KEEP THIS EMAIL SAFE.

If you do not receive either of these emails please first check your spam folder then if you have still not received them please email info@UKSKO.org.

If you need to purchase a licence for more than one student, please repeat the process giving correct details for each student.
